

Thank you

to all the organisations
who are supporting
Shelter this Christmas.

On Christmas morning more than 1.6 million children will wake up in housing that is run-down, damp or overcrowded. In response to a dramatic increase in demand for our services, we launched our Big Build Up to Christmas appeal. To find out more and to donate, visit shelter.org.uk/christmas

Without the generosity of organisations such as those featured here, we cannot continue our work.
