

# Specifying the Overall Leader of a Declaration or Declaration Section

1.

Before a declaration has been shown to a facility, the open market tab is unavailable.

2.

Once the declaration has been shown to a facility, the open market becomes available.

3.

Any participant can be set as the overall leader of an unsectioned declaration assuming no prior overall leader has been chosen.

4.

When showing a sectioned declaration, each section may have a different overall leader.

5.

When looking at a firm order overview, the overall leader of the declaration or section is shown at the top.

6.

Similarly, when viewing the written lines, the overall leader's stamp is shown at the top of the list.
