

Showing a Declaration to an Underwriter More Than Once

1.

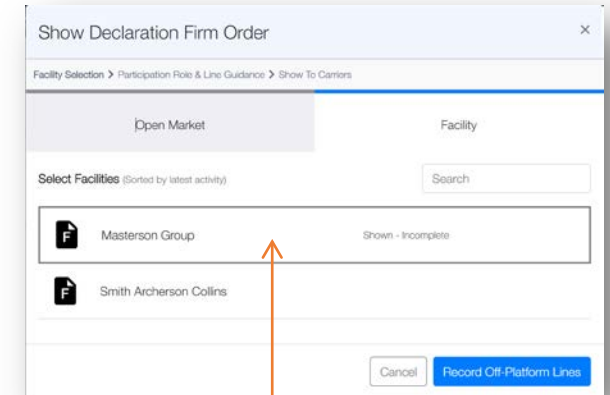

Select an initial recipient from the 'Show Firm Order' screen.

2.

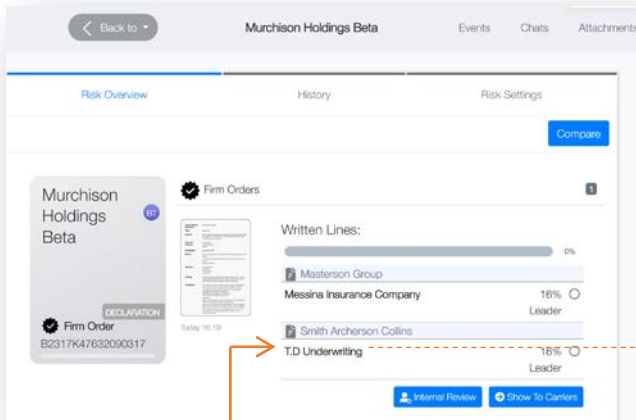

The facility overview lists the individual underwriters participating and their teams.

3.

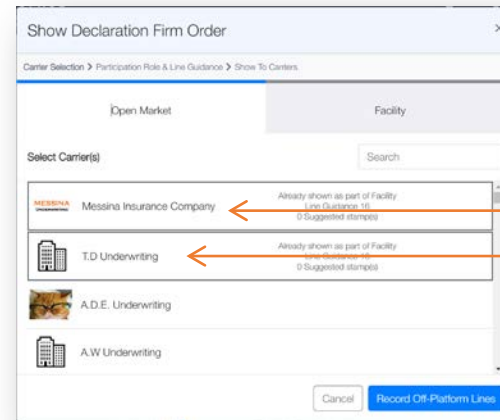

A black surrounding box indicates that a facility has already seen this declaration or section.

4.

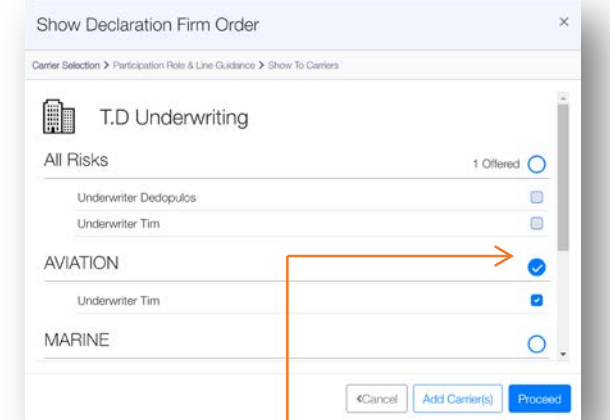

Underwriters can see a firm order more than once as part of multiple facilities.

5.

Underwriters can also see a firm order more than once on the open market.

6.

Team selection when reshowing is independent of previous firm orders.
