## Release Notes v3.4.6

Author: Tim Dedopulos

Date: 9<sup>th</sup> January 2025

### Headlines

A temporary issue involving the visibility of organisations' addresses via the Admin Portal has been corrected.

### Enhancements

- For a brief window of time, stamp address information for some organisations was incorrectly visible to Whitespace Admins at certain other organisations. The error that led to this occurring has been fixed, and it will not recur.
