

Whitespace Platform

Patch Notes v2.18.4

Author: Gail McNeillie
Date: 10th May 2024

Headlines

Changes have been made to the recipients of email notifications resulting from the stamp correction process.

Resolved Issues

Browser:

- Brokers no longer receive an email notification informing them that an underwriter has requested a stamp correction unless they are the owner of the relevant contract or they have actively subscribed to receive notifications in relation to that contract.
- Brokers no longer receive an email notification when another member of their team has accepted or rejected a stamp correction request unless they are the owner of the relevant contract or they have actively subscribed to receive notifications in relation to that contract.
- Underwriters no longer receive an email notification informing them that another member of their team has requested a stamp correction.
