To select a text colour, click on the ' $\underline{A}$ ' icon in the formatting bar and then the square for the colour you require – black, red, orange, green, blue, or purple.

You can insert a new blank 3x3 table at the text cursor by clicking on the grid icon in the formatting bar.

To create a numbered list, click on the three numbered bars icon in the formatting bar. Lists offer multiple levels of indentation with appropriately varying numbering styles.

Click on the three-dot icon above any column or to the left of any row to expand the table ('+') or shrink the table ('x')

To create a bullet list, click on the three bulleted bars icon in the formatting bar. Bullets have multiple indent levels and can combine with numbered lists.

Click on any row's three-dot icon to paste table data from the clipboard onto the end of the existing table in the platform. The appended rows must have the same number of columns.
